Corporate Social Responsibility (CSR) Policy

1. CSR Philosophy:

We recognize that we must integrate our business values and operations to meet the expectations of our stakeholders. They include customers, employees, investors, suppliers, the community and the environment. We believe that to succeed, an organization must maintain highest standards of corporate behaviour towards its employees, consumers and societies in which it operates. We are of the opinion that CSR underlines the objective of bringing about a difference and adding value in stakeholders' lives. As a responsible corporate citizen, we try to contribute for social and environmental causes on a regular basis. We believe in triple bottom line form i.e. "People, planet and profit", to evaluate CSR.

2. CSR Vision:

- i. Develop meaningful and effective strategies for engaging with all stakeholders.
- ii. Consult with local communities to identify effective and culturally appropriate development goals.
- iii. Partner with credible organizations like trusts, foundations, etc. including non-government organizations.
- iv. Check and prevent pollution, recycle, manage and reduce waste, manage natural resources in a sustainable manner.
- v. Ensure efficient use of energy environment friendly technologies.
