

CERTIFICATE OF FACTORY PRODUCTION CONTROL

Certificate No:
3769-2013-CE-IND

Initial certification date:
20, December, 2013

Valid:
15, February, 2017 - 15, February, 2020

This is to certify that

That the product(s)

Non-alloy steel tubes suitable for welding and threading

Manufactured by

UTKARSH TUBES & PIPES LTD

NH 6, Vil. Jangalpur, P.O Andul Mouri, Howrah, West Bengal, India

has on a voluntary basis been assessed with respect to the conformity assessment procedure "Factory Production Control" as described in EN 10255:2004+A1:2007 annex ZA Clause 12.3 of the standard on structural steel, as amended and found to comply.

Applications/Limitations

In compliance with the Construction Product Regulation 305/2011, CE marking & provide Declaration of Performance and Attestation procedure AoC 3, which is described in the Standard EN 10255:2004 +A1:2007 according the Annex ZA; Initial Type Testing (ITT) Clause 12.2 shall meet the requirements and compliance of the same rests under responsibility of the Manufacturer.

This certificate remains valid during a three year period as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly. The product liability rests with the manufacturer or his representative

Place and date:
Chennai, 15, February, 2017

For the issuing office:
DNV GL – Business Assurance
ROMA, No. 10, GST Road,
Alandur, Chennai - 600 016,
